ERSA Workshop – Households and Labour Markets Durban 22 – 23 January 2009

Call for Papers

ERSA is pleased to announce a 2 day workshop to take place in Durban, 22 – 23 January 2009.

The workshop will serve as a forum to present current empirical research and results in the broad areas of households and labour markets. This is an excellent opportunity to receive feedback from peers on work-in-progress. We welcome contributions also from senior post-graduate students.

Submission:

Please submit abstracts (1 page) as a pdf-file together with full contact details by **Friday 5 December 2008** to Dori Posel (posel@ukzn.ac.za) and Tania Jacobs (tania.jacobs@uct.ac.za).

Participants will not be required to submit a completed paper for the workshop. However, if a paper is available, which participants would like to have circulated before the workshop, then this should be submitted to Dori by **Wednesday 14 January 2009**.

ERSA will cover the travel and accommodation expenses of all presenters from Southern African universities. Further financial support may be provided on request.
