

## **ERSA Workshop – Institution and Growth – Cape Town – 4 & 5 February 2008**

### **Call for Papers**

ERSA is pleased to announce a 1.5 day workshop on 'Institutions and Growth' to take place at the Breakwater Lodge in Cape Town on the 4 & 5 February 2008.

The workshop will serve as a forum to present current research and results in the areas of economic growth, institutions and political economy and will give researchers in these areas the opportunity to network. Both theoretical and empirical studies are welcome. As the workshop intends to build a network in this research area, participation is welcome even without paper contributions.

In particular we want to focus the discussion on specific institutions and macroeconomic factors that play an important role in the South African growth experience, namely:

- Market structure
- Trade policies
- Inequality and political economy
- Macroeconomic Conditions
- Macro Policy Framework
